## **Event Summary:**

### **Day 1: Children's Morning and Jacaranda Queen Crowning**

The first event on our program begins at 8am in Market Square. The event in 2016, attracted approximately 1000 people with a transient crowd from 8am until 12pm. The crowd scaled back until the afternoon session begun at 5pm.

The Jacaranda Queen Crowning Ceremony begins at 5pm in Market Square, running until approximately 9pm with an expected crowd of 3000.

### **Day 2: Retrofest**

This event was new to the official Jacaranda Program in 2016. The event was successful and we anticipate growth in 2017. The event attracted a transient crowd from 9am until 2pm. With crowd numbers in the park up to 500. While only a few food vendors booked for the event, the Retrofest market stalls on site, ensure a consistent crowd happy to browse.

### **Day 6: Jacaranda Thursday**

One of the biggest days of the Festival. Grafton enjoys a half day public holiday for the event. The day begins early in Market Square with a free breakfast provided by the local radio station. Markets begin in the Main Street – Prince Street next to Market Square with all food and amusement vendors located in the Market Square. A strong crowd assembles in Market Square for the lunch hours with local businesses performing on stage. Crowd numbers for 2016 were estimated at 10,000 roaming in Prince Street and Market Square.

### **Day 7 – Riverside Venetian Carnival**

Held in Memorial Park on the banks of the Clarence River, this event showcases local talent attracting a crowd between 3000 – 4000 for the show and fireworks. This event runs off generator power, Vendors need to be aware of the power limitations at this event.

### **Day 8 – Float Procession and Picnic in the Park**

The Float Procession attracts a large crowd to the Festival on what is traditionally seen as the last family event carried out in the evening. Approximately a 6000-strong crowd, with a large proportion of the crowd staying in the park, for the Picnic in the Park event with entertainment on stage until 9pm. This event runs off generator power, Vendors need to be aware of the power limitations at this event.
